WEEK 2 – CSS + Basic JavaScript

ANY- ONE

Focus: Interactivity + Animations Assignment

1:

Interactive Image Gallery

- Show 6–8 images in a grid
- When clicked → open in lightbox view (bigger size)
- Add hover animations

Skill Gain: DOM manipulation, event handling.

Assignment 2:

Digital Clock / Countdown Timer

- Show live updating time (HH:MM:SS)
- Optional: Countdown timer to a date (e.g. New Year)

Skill Gain: JavaScript `Date()` object, `setInterval()`.
